Prerequisites

Because of new merit badge requirements, most merit badges will have prerequisites. These prerequisites MUST be completed before day camp starts. Prerequisites not completed may result in a partial being given or inability to take the desired class. Scouts need a merit badge book for each merit badge class they are taking, these can be purchased at the Scout Shop. Please make sure your Scout has the most current merit badge book as requirements have changed recently! Some of the changes are quite significant.

Also, before the session begins, you must have a blue merit badge card signed by your Scoutmaster to complete the merit badge requirements.
NOTE: All Scouts will perform the BSA swim test on the first day of each session. All Scouts wishing to swim during free swim must take the swim test.
