The emphasis is on backpacking but it is generally applicable to all types of outdoor activity. This is the next step beyond the camp-craft skills that are covered in Outdoor Leadership Skills (OLS).

You will be need to select and take a weekend backpack trip (5-7 miles, round-trip, in the local mountains) from among several to be offered in March and April and led by the GLAAC-HAT Staff. Each person is responsible for providing his/her own clothing and equipment. An Adventure Pass for your vehicle is required at many of these locations.

Completion of this training is recognized by the award of a special patch.

<u>Hike Aid 3</u>, "Full Dimension High Adventure Training", has a complete discussion of the training programs of the GLAAC-HAT.
